Missouri General Assembly

USER ADVISORY

This Index is for use with the bound version of the Journals of the Senate and House, First Regular Session and Veto Session 102nd General Assembly, State of Missouri.

The Journals are printed daily by the Senate and House. Corrections made in a daily journal subsequent to the printing of the Journal may be located by examining the "corrections" heading in this index.

The bound sets of Senate and House Journals constitute the official version of the Journals and take precedence over other versions which might be available electronically or otherwise.

Journal page numbers are given only in the numerical listing of SENATE BILLS INTRODUCED and HOUSE BILLS INTRODUCED. When using the TRULY AGREED TO and the CLASSIFIED INDEX, please refer to the numerical listing for journal page numbers.

Bill authors are not listed for substitute bills.

In the CLASSIFIED INDEX, bill captions (listed under SUBJECT) have been revised to take into account changes that occurred after introduction. Bills are classified in this portion of the index by the last version acted upon.

AUTHORITY FOR PUBLICATION

2.080. 1. Copies of the journals of the proceedings of each house of the general assembly shall be compiled under the superintendence and direction of the secretary of the senate and chief clerk of the house, in such number as may be determined to be necessary by the committee on legislative research, to be distributed as directed by the committee. After each session of the general assembly, the secretary of the senate and chief clerk of the house shall examine and correct the proof sheets of the journals of their respective chambers and prepare a table of the errata, if any errors have been made, and shall prepare an index of the journals. The secretary of the senate and chief clerk of the house shall develop and use a common indexing system for the journals.

2. Copies of the journals may be printed and bound into books, may be microphotographed, or may otherwise be copied so as to preserve the record of proceedings and to facilitate the use and storage of the journals.

2.091. The secretary of the senate and chief clerk of the house shall deliver, upon request, one copy of the journal of their respective chambers to the judge of any court of record, any member of either house of the general assembly, the head of any state department, bureau or state institution, the state university, the Missouri state historical society and any public library in the state, two copies of each to the law library association of St. Louis, and three copies of each to the Library of Congress at Washington, D.C. The remaining copies shall be preserved, subject to the orders of the general assembly.

JOURNAL OF THE SENATE

ONE HUNDRED SECOND GENERAL ASSEMBLY

OF THE

STATE OF MISSOURI

FIRST REGULAR SESSION

FIRST DAY - WEDNESDAY, JANUARY 4, 2023

The Senate was called to order at 12:00 noon by Lieutenant Governor Mike Kehoe.

The Reverend Carl Gauck offered the following prayer:

"Make me to know Your ways, O Lord; teach me Your paths," (Psalm 25:4)

Gracious God, we begin a new year, a new session with new senators and staff and give thanks for Your calling us to be servants of the people You would have us serve. Grant us wisdom and knowledge that we may faithfully walk the paths that You have put before us knowing You are truly a light that leads us as You would have us follow. For in You, O Lord, we put our trust. In Your Holy Name we pray. Amen.

Missouri State Highway Patrol, Troop F presented the Colors.

The Pledge of Allegiance to the Flag was recited.

"God Bless America" was performed by Madison Crisp.

The President of the Senate stated that the Rules of the Senate would be the Missouri Senate Rules of the 2nd Regular Session of the One Hundred First General Assembly until temporary or permanent rules are adopted.

Senator O'Laughlin announced photographers from St. Louis Public Radio, Nexstar Media Group, KY3, Missouri Independent, ABC-17, St. Louis Post Dispatch, Jefferson City News Tribune, and KSDK were given permission to take pictures in the Senate Chamber.

Senator O'Laughlin submitted the following appointments of officers for the temporary organization, which were read:

President Pro Tem.....Caleb Rowden

Secretary of Senate.....Kristina Martin

Sergeant-at-Arms.....Marty Drewel

Senator O'Laughlin requested unanimous consent of the Senate that the above named officers stand as temporary officers until permanent officers are elected, which request was granted.

Opening Address

Senator Caleb Rowden, President Pro Tem

First Regular Session, 102nd General Assembly

January 4, 2023

First of all, thank you to my colleagues for entrusting me with the tremendous opportunity and responsibility of becoming the 83rd President Pro-Tem of the Missouri Senate. What an incredible honor this is, and one I accept with humility and gratitude.

I want to acknowledge some folks that are here with me today. First of all, my wife Aubrey and our three kids - Willem, Adele & Theo. They have been unbelievably supportive of me throughout my entire political career, and if you follow my social media accounts, you know how much fun I have with these awesome kiddos. Of all the titles I've had in my life, there isn't one that gets anywhere close to "dad."

My mom and dad as well as Aubrey's mom and dad are here today. I am who I am because of the Godly upbringing and unconditional love that my parents gave me, and there is no doubt I wouldn't be here today without both them and my in-laws and all their hard work and dedication to Aubrey and I and our kids.

And I want to say thank you to all my staff members throughout my time in the House and Senate that have helped me serve my constituents and the people of this great state!

The Missouri Senate is an incredible place. 34 uniquely different individuals representing 34 uniquely different parts of this state. Among the Senators sitting in front of me, we have educators, attorneys, business owners, farmers, and everything in between.

22 men and 12 women.

Some with beautiful heads of hair and some with no hair at all.

This is an incredible place — the history and tradition of this hallowed chamber and men and women who have gone before us have helped set the stage for the moment we find ourselves in today. Being sworn in as members of this Missouri Senate for the 102nd General Assembly.

My path to this moment has been an interesting one, as many of you know. A Christian singer/songwriter turned unlikely State Representative turned unlikely State Senator.

For the many in this building who have interacted with me over my ten years in the legislature, you'll know I am careful not to shove my faith in anyone's face. But as I stand here today, I am more convinced than ever that each of us are here for a reason. This moment is not a mistake. My ascension to this position is not a coincidence. We have a purpose.

Words from the prophet Jeremiah — "For I know the plans I have for you" says the Lord. "Plans to prosper you and not to harm you, plans to give you hope and a future."

Senators, the challenge before us this year and in the years to come undoubtedly has political elements and realities. But there is unquestionably a divine element to our existence here. A pre-ordination of hundreds, if not thousands of events that have led the 34 of us to this moment.

The weight of six million Missourians is on our shoulders. How will we respond? How will we lead?

Over the last six years since I joined the Senate, I am incredibly proud of the many things we have accomplished.

This body has stood up to protect innocent life at every stage of existence.

This body has stood strong to protect constitutional rights and individual liberties in the face of a growing desire by some to trample those liberties.

This body has made it easier to vote and easier to ensure those votes are legitimate.

This body has made generational investments in our state's infrastructure while simultaneously making generational investments in our state's people.

And among many other things, this body for the first time in decades, gave parents and their children opportunities to attain the education they deserve, not just the one defined for them by their zip code and bank balance.

But our work is nowhere near done.

Missouri is undoubtedly a pro-life state. But I think it's important for those of us who call ourselves pro-life in this chamber to recognize what exactly that means, and maybe even work to redefine and broaden the term itself.

That's why I will make it a priority of mine this year to pass Senator Gannon's legislation to extend health care coverage for moms after the birth of their child. Being pro-life means standing strong for kids and their moms.

I will also make it a priority to pass legislation from Senator Coleman that will ensure working Missourians who push to gain economic independence don't have important benefits pulled out from underneath them. Being pro-life means standing strong for Missouri's vulnerable populations.

And it will be my personal priority over the next two years to make it easier and cheaper to move through the adoption process in the state of Missouri. Men and women who seek to adopt in our state shouldn't be butted out by too high a price tag or too many barriers to entry, put up largely by their government.

Being pro-life is valuing kids, from the earliest moments of their development throughout their formative years, especially in our education system.

It is no secret that I consider myself an "education reformer." I believe we should provide every opportunity possible for parents to put their kids in a position to achieve success. One of the amazingly frustrating things about that position in the eyes of some in this building is that, somehow, being pro-parent means anti-public education.

Nothing could be further from the truth. And it's important for us to recognize that very few people view education outside of this building the way we view it inside this building.

Over the next two years, we are going to work hard and work together to redefine what success looks like for schools in this state. For too long, we have let the labels of "establishment" and "reformer" take precedent over serious and increasingly urgent policy discussions about how we define success for schools in this state. We have not done enough. DESE has not done enough. We have been coasting, and our students have been suffering. That must end.

Over the next two years, with the help of many of you, including Senator Koenig, Senator Arthur and Senator Eslinger, we are going to reimagine and lay the groundwork for implementation of a new blueprint for achieving success in our public education system. We will no longer turn our heads while half or more of our kids graduate high school with a 4th graders reading ability and the ability to do math like a 6th grader.

In Missouri, world-class schools should be treated and funded like world-class schools. World-class teachers should be paid like world-class teachers.

We can no longer insist on a one-size-fits-all method of defining success for our schools to cover up for underperforming buildings and districts. We cannot continue to cover up failure. We must instead redefine and reward excellence in our schools.

Missourians are common-sense folks with an independent streak…and as a Republican from Columbia, I may recognize and appreciate that reality as much as anyone here. Missourians have sent veto-proof majorities of Republicans to the House and the Senate for more than a decade now, but they have also implemented a number of policies through the initiative process championed and cheered for by those on the political left. Through this process, our constitution has been inundated with words and policies about bingo and marijuana that belong in our statute books and not in our state's guiding document.

We will make it a priority of this Senate to raise the bar for entrance into our constitution. While I have no desire to make it harder for citizens to have a voice through the initiative process through increased and unnecessary hurdles to jump over, I simply and firmly believe that the threshold for adding or changing our Constitution should be higher than a simple majority. In looking backward, if this threshold would have been in place, some policies championed by Republicans and others by Democrats that passed would have failed, and some would have passed. For me, this isn't political…it is just common sense.

Over the next two years, it is my hope that we as a body will spend less time trying to convince Missourians what they should care about and more time listening and understanding what they actually do care about. This job is not about us. It is about the people who sent us here.

On March 2, 1955, a young black woman was arrested for refusing to give up her seat on a bus to a white man in Alabama. Civil rights leaders and the ACLU rushed to her side and began the process of making her the face and symbol of segregation in the south. Her name was Claudette Colvin. However, as an unmarried and pregnant 15 year old, civil rights leaders and the ACLU decide Colvin wasn't to be their standard-bearer in the fight against segregation. Eight months later, Rosa Parks happens, but during those eight months, a brilliant and charismatic young minister gets the attention of the community and is chosen to lead the bus boycotts. If Claudette Colvin doesn't get pregnant and the movement doesn't wait for eight months, Martin Luther King Jr is a preacher from Alabama that you have never heard of.

Senators — things happen for a reason. There is a plan and a purpose for our existence in this moment and in this season. We must do everything in our power to meet the challenge of this moment.

That means we care more about the policy than we do the personality.

That means we work toward retiring revenge, and not recycling it.

And that means we must break the cycle of governing by fear and half truths.

We are part of something bigger than ourselves here in the Missouri Senate. Each individual Senator has tremendous power, but that power is so much more valuable for the people of Missouri if it is harnessed together.

There will be days where we agree. There will be days when we disagree.

There will be days when we laugh, and some when we cry.

But each of those days is a gift, and one that we must not take for granted.

Dr. King famously said “There comes a time when one must take a position that is neither safe, nor politic, nor popular, but he must take it because conscience tells him it is right.”

Those words undoubtedly were motivated and guided by the words we find in the book of Micah — “the Lord has told you what is good, and this is what he requires of you: to do what is right, to love mercy, and to walk humbly with your God.”

The 34 of us have the potential to do generational good. To make the world better for the next generation of Missourians. The decisions that get us there may not always be the politically expedient ones, but they will always be the right ones.

Thank you from the bottom of my heart for the chance to serve you and the people of the Show-Me State in this way.

God bless you, and God bless the great state of Missouri.

President Kehoe assumed the Chair.

RESOLUTIONS

Senator Rowden offered the following resolution:

SENATE RESOLUTION NO. 3

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Nineteenth District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, First Regular Session, that Senate Rules 6, 25, and 28 be amended to read as follows:

"Rule 6. Upon the written request of the sponsor or floor handler of a bill, the committee on rules, joint rules, resolutions, and ethics may recommend that any such bill on the calendars for perfection or house bills on third reading be called up or considered out of order in which the bill appears on that calendar. A recommendation to consider bills out of order shall require approval by a majority of the committee on rules, joint rules, resolutions, and ethics with the concurrence of two-thirds of the senate members. No floor debate shall be allowed on the motion to adopt the committee report. Except as otherwise provided for in this paragraph, only the regular appropriation bills, including the deficiency and the omnibus bills, bills providing for legislative or congressional redistricting, bills producing more than three million dollars in additional state revenue, bills implementing amendments to the Missouri Constitution which were adopted at the immediately preceding state primary or general election, and bills requiring passage in order that the state receive funds from the federal government for the institution, continuance or expansion of federal-state programs, may be called up or considered out of the order in which the bill appears on the formal calendar of the senate.

All bills reported to the senate floor by the Committee on **[**Governmental Accountability and**]** Fiscal Oversight shall be placed on the appropriate formal calendar in a position, as near as may be, to that position which the bill would have had absent referral to the Committee on **[**Governmental Accountability and**]** Fiscal Oversight.

Rule 25. The president pro tem of the senate shall appoint the following standing committees:

1. Committee on Administration, 5 members.

2. Committee on Agriculture, Food Production and Outdoor Resources, 9 members.

3. Committee on Appropriations, 14 members.

4. Committee on Commerce, Consumer Protection, Energy and the Environment, 11 members.

5. Committee on Economic Development **and Tax Policy**, **[**9**] 7** members.

6. Committee on Education **and Workforce Development**, 9 members.

7. **Committee on Emerging Issues, 7 members.**

[11.**] 13.** Committee on Insurance and Banking, 7 members.

[12.**] 14.** Committee on the Judiciary and Civil and Criminal Jurisprudence, 7 members.

[13.**] 15.** Committee on Local Government and Elections, 7 members.

[14. Committee on Professional Registration, 7 members.**]**

[15.**] 16.** Committee on Progress and Development, 5 members.

[16.**] 17.** Committee on Rules, Joint Rules, Resolutions and Ethics, 7 members.

[17. Committee on Seniors, Families, Veterans, and Military Affairs, 8 members.**]**

[18. Committee on Small Business and Industry, 7 members.**]**

[19.**] 18.** Committee on Transportation, Infrastructure and Public Safety, 7 members.

[20.**] 19.** Committee on **[**Ways and Means**] Veterans, Military Affairs, and Pensions**, 7 members.

All committees shall have leave to report at any time. The chairman of any standing committee may appoint one or more subcommittees, with the approval of the committee, to hold hearings on bills referred to the committee and shall report its findings to the standing committee.

Rule 28. The duties of the standing committees of the senate are as follows:

1. The Committee on Administration shall superintend and have sole and complete control of all financial obligations and business affairs of the senate, the assignment of offices and seats, and the supervision of certain designated employees. The committee shall be authorized to employ an administrator, who shall be provided with office space as designated by the committee. The administrator or the secretary of the senate may be authorized to act for the committee, but only in the manner and to the extent as may have previously been authorized by the committee with such authorization entered in the minutes of the committee. No voucher calling for payment from the contingent fund of the senate shall be drawn, nor shall any valid obligation exist against the contingent fund until the same shall have been approved by the committee or its administrator and be recorded in the minutes thereof. All vouchers must be signed by the chairman of the committee or the administrator, if so authorized. The committee or its administrator shall provide for the receiving and receipt of all supplies, equipment and furnishings purchased for the account of the senate, and the distribution thereof. The administrator shall keep a detailed running account of all transactions and shall open his records for inspection to any senator who so requests. All employees other than elected officials of the senate and employees of the individual senators, shall be selected by the committee, who shall control their tenure, set their compensation, assign their duties and exercise complete supervision over them. When necessary, the committee shall assign office space and seats in the senate chamber.

2. The Committee on Agriculture, Food Production and Outdoor Resources shall consider and report upon bills and matters referred to it relating to animals, animal disease, pest control, agriculture, food production, the state park system, conservation of the state's natural resources, soil and water, wildlife and game refuges.

3. The Committee on Appropriations shall consider and report upon all bills and matters referred to it pertaining to general appropriations and disbursement of public money.

4. The Committee on Commerce, Consumer Protection, Energy and the Environment shall consider and report upon bills and matters referred to it relating to the development of state commerce, the commercial sector, consumer protection, telecommunications and cable issues, the development and conservation of energy resources and the disposal of solid, hazardous and nuclear wastes and other matters relating to environmental preservation.

5. The Committee on Economic Development **and Tax Policy** shall consider and report upon bills and matters referred to it relating to the promotion of economic development, creation and retention of jobs, tourism and the promotion of tourism as a state industry, and community and business development. **The Committee shall also consider and report upon bills and matters referred to it relating to revenue and public debt of the state, and interest thereon, the assessment of real and personal property, and the classification of property for taxation purposes.**

6. The Committee on Education **and Workforce Development** shall consider and report upon bills and matters referred to it relating to education in the state, including the public schools, libraries, programs and institutions of higher learning **as well as bills and matters referred to it relating to promotion of workforce development and the creation and retention of jobs**.

7. **The Committee on Emerging Issues shall consider and report upon bills and matters referred to it relating to recent trends and emerging issues.**

8. The Committee on Fiscal Oversight shall review, study, and investigate all bills and matters referred to it relating to the fiscal affairs of the state or any state agency or department as well as any policy impacting the operation and effectiveness of any state agency or department or program thereof. The Committee on Fiscal Oversight shall also consider and report upon all bills, except regular appropriation bills, that require new appropriations or expenditures of appropriated funds in excess of $250,000, or that reduce such funds by that amount during any of the first three years that public funds will be used to fully implement the provisions of the Act, or that result in an increase in revenue to the state in excess of $250,000 during any of the first three years in which the provisions of the Act will be fully implemented. Any such senate bill, after having been approved by the regular standing committee to which it has been assigned and after the same has been perfected and ordered printed by the senate, shall thereafter be referred to the Committee on Fiscal Oversight for its consideration prior to its submission to the senate for final passage thereof by the senate. Any such house bill after having been reported by the regular standing committee to which it was assigned shall be referred to the Committee on Fiscal Oversight for its consideration prior to it being considered by the senate for third reading and final passage. Any senate or house bill amended so as to increase expenditures or reduce revenue in excess of $250,000 during any of the first three years that public funds will be used to fully implement its provisions, or amended so as to increase revenue to the state in excess of $250,000 during any of the first three years in which its provisions will be fully implemented, shall upon timely motion be referred or re-referred to the Committee on Fiscal Oversight. The author or first named sponsor of a bill referred to the Committee on Fiscal Oversight shall be entitled to a hearing on his or her bill but such committee hearing shall be limited to the reception of testimony presented by the author or first-named sponsor in person and none other. The Committee on Fiscal Oversight may recommend the passage of a bill subject to the adoption of an amendment specifying a certain effective date proposed by the committee, and if such an amendment is not adopted, the bill shall again be referred to the Committee on Fiscal Oversight.

9. The Committee on General Laws shall consider and report upon bills and matters referred to it relating to general topics. **The committee shall also consider and report upon bills and matters relating to labor management, fair employment standards, and employment security within the state.**

Journal of the Senate

FIRST REGULAR SESSION

SECOND DAY - THURSDAY, JANUARY 5, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Blessed be the name of the Lord from this time on and forevermore." (Psalm 113:2)

Heavenly Father, help us to keep the positive feelings that we have begun this new year and keep us mindful of Your call to serve those in need before us. As we travel back to our homes let us not be distracted from the responsibilities You have given us and those You have given us to love. And Lord, may we always give thanks for Your presence in our lives and seek You daily in our prayers and worship of You, our God. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator O'Laughlin announced that photographers from Nexstar Media Group and KRCG-TV were given permission to take pictures in the Senate Chamber.

The following Senators were present during the day's proceedings:

RESOLUTIONS

Senator Schroer offered Senate Resolution No. 6, regarding Dr. Alan Freeman, St. Louis, which was adopted.

Senator May offered the following resolution:

SENATE RESOLUTION NO. 7
NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Fourth District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, First Regular Session, that the Senate Rules be amended to read as follows:

"Rule 29. 1. Senate offices and seats in the senate chamber shall be assigned **[**by the committee on administration to the majority and minority caucuses. Each caucus shall make office and senate seat assignments on the basis of seniority as defined in this rule, unless otherwise determined within a caucus**]** **on the basis of seniority**, except that Rooms 326 and 327 shall be known as the president pro tem's office and shall be occupied by the senate's president pro tem. Upon retirement from service as pro tem, that senator shall vacate the pro tem's office and shall have first choice of available vacant offices **[**of his caucus**]**, regardless of his seniority status. Except for the outgoing president pro tem, who is required to vacate the designated pro tem's office, no senator shall be required to relinquish any office or seat once assigned to him.

2. Seniority shall be determined **[**by each caucus**]** on the basis of length of service**, with members of the majority party being senior to members of the minority party having the same length of service**. Length of service means:

(a) Continuous senate service;

(b) In the case of equal continuous senate service, prior non-continuous senate service;

(c) In the case of equal continuous and prior non-continuous senate service, prior house service.

3. When two or more members of the same party have the same length of service, their respective seniority shall be determined by their party caucus.".

On behalf of Senator Bean, Senator O'Laughlin offered Senate Resolution No. 8, regarding David E. "Eddie" Gilbert, Steele, which was adopted.

Senator Rowden moved that **SR 3** be taken up for adoption, which motion prevailed.

Senator Rowden moved that **SR 3** be adopted, which motion prevailed by the following vote:

CONCURRENT RESOLUTIONS

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 1

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 2

Whereas, in the American system, sovereignty is defined as "final authority", and the people, not government, are the sovereign; and

Whereas, the people of the great State of Missouri are not united with the people of the other forty-nine states that comprise the United States of America on a principle of unlimited submission to their federal government; and

Whereas, the Constitution of the United States clearly establishes that all power not delegated by the people to government is retained by the people and the States; and

Whereas, the people of the several States comprising the United States of America created the federal government to be their agent for those purposes specifically enumerated in the Constitution; and

Whereas, the Tenth Amendment to the Constitution of the United States explicitly declares: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

Whereas, the Tenth Amendment thus affirms that the total scope of federal power is only that which is specifically delegated by the people to the federal government in the Constitution of the United States and can go no further than what is necessary and proper to carry into execution those specifically enumerated powers; every non-enumerated power is deliberately left to State governments or the people themselves; and

Whereas, powers, too numerous to list in this resolution, have been exercised, past and present, by federal administrations, under the leadership of both Democrats and Republicans, to transgress the lines drawn by the Constitution of the United States; and

Whereas, when powers that have not been delegated to the federal government are assumed and exercised over the States and their people, as the Declaration of Independence affirms, "it is their right, it is their duty, to throw off such government" usurpation and infringement into those areas, lest the people of this State be placed under the dominion and control of those who wrongly have usurped those rights; and

Whereas, numerous opinions delivered by the Supreme Court of the United States have been wrongly deemed the supreme law of the land when no actual law was passed by the only authority that is constitutionally authorized to make law: the United States Congress; and

Whereas, the President of the United States has issued Executive Orders reaching outside the constitutionally-specified limits of the jurisdiction of the Executive Branch of government and these orders have also been wrongly interpreted and enforced as the supreme law of the land:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby affirm the sovereignty of the people of the State of Missouri in those areas protected by the Tenth Amendment to the Constitution of the United States; and

Be It Further Resolved that this Resolution shall serve as a notice to the federal government to cease and desist activities outside the scope of its constitutionally-delegated powers; and

Be It Further Resolved that there is hereby created the "Joint Committee on the Review of Federal Overreach", which shall have as its charge to identify specific federal laws and regulations outside the scope of the powers delegated by the people to the federal government in the Constitution of the United States and that thus infringe on the proper powers of the State; and

Be It Further Resolved that the Joint Committee shall be composed of five members of the Senate, with no more than three members of one party, and five members of the House of Representatives, with no more than three members of one party. The Senate members of the Joint Committee shall be appointed by the President Pro Tempore of the Senate and the House members by the Speaker of the House of Representatives. The Joint Committee shall select either a chairperson or co-chairpersons, one of whom shall be a member of the Senate and one a member of the House of Representatives. A majority of the members shall constitute a quorum. Meetings of the Joint Committee may be called at such time and place as the chairperson or co-chairpersons designate; and

Be It Further Resolved that the Joint Committee may hold hearings as it deems advisable and may obtain any input or information necessary to fulfill its obligations. The Joint Committee may make reasonable requests for staff assistance from the research and appropriations staffs of the House and Senate, but is not authorized to hire additional staff; and

Be It Further Resolved that the Joint Committee may prepare a final report, together with its recommendations for any legislative action deemed necessary, for submission to the General Assembly by December 31, 2023, at which time the Joint Committee shall be dissolved; and

Be It Further Resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be It Further Resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officer of each of the legislative houses in the several states.

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 3

Whereas, motorcycle ridership has continued to increase over time, with registrations growing from 3,826,373 in 1997 to 8,600,936 in 2015; and

Whereas, as of August, 2016, the ongoing National Motorcycle Profiling Survey 2016, conducted by the Motorcycle Profiling Project, found that approximately one-half of the motorcyclists surveyed felt that they had been profiled by law enforcement at least once; and

Whereas, motorcycle profiling means the illegal use of the fact that a person rides a motorcycle or wears motorcycle related apparel as a factor in deciding to stop and question, take enforcement action, arrest, or search a person or vehicle, with or without legal basis under the Constitution of the United States; and

Whereas, complaints surrounding motorcycle profiling have been cited in all fifty states; and

Whereas, nationwide protests to raise awareness and combat motorcycle profiling have been held in multiple states:

Now Therefore Be It Resolved that the members of the Senate of the One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby:

(1) Support increased public awareness on the issue of motorcycle profiling;

(2) Encourage collaboration and communication with the motorcycle community and law enforcement to engage in efforts to end motorcycle profiling; and

(3) Urge law enforcement officials to include statements condemning motorcycle profiling in written policies and training materials; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for each law enforcement agency in the state of Missouri.

Journal of the Senate

FIRST REGULAR SESSION

THIRD DAY - MONDAY, JANUARY 9, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Let us not love in word or in speech, but in deed and in truth." (1John 3:18)

Lord God, let us never forget You or how loving and gracious You are to us. You have blessed us with good work to do and given us joy and friendship for which we also give You thanks. May we rejoice always in Your presence among us as we deal with one another and those we serve. And let us show in caring words and actions how we follow Your teaching. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal for Thursday, January 5, 2023 was read and approved.

CONCURRENT RESOLUTIONS

Senator Eigel offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 4

Whereas, Israel has been granted her lands under and through the oldest deed, as recorded in the Torah or Old Testament, a tome of scripture held sacred and revered by Jews and Christians alike; and

Whereas, Missouri recognizes the claim and presence of the Jewish people in Israel that has remained constant throughout the past four thousand years; and

Whereas, Missouri recognizes Israel's declared independence and self governance that began on May 14, 1948, with the goal of reestablishing its legally recognized lands as a homeland for the Jewish people; and

Whereas, Missouri's son, U. S. President Harry S. Truman, was the first world leader to officially recognize Israel as a legitimate Jewish state on May 14, 1948, only eleven minutes after its creation; and

Whereas, Missouri agrees with and supports U.S. President Donald Trump who, on December 6, 2017, recognized Jerusalem as the eternal capital of Israel; and

Whereas, The United States of America and the state of Missouri have enjoyed a close and mutually beneficial relationship with Israel and her people; and

Whereas, Israel is a great friend and ally of the United States of America in the Middle East:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred-Second General Assembly, First Regular Session, the House of Representatives concurring therein, commend Israel for its cordial and mutually beneficial relationship with the United States of America and the state of Missouri since 1948 and believe that the relationship shall continue to strengthen and be valued in this state and in this country, in all its dimensions; and

Be It Further Resolved that the General Assembly recognizes Jerusalem as the eternal capital of Israel; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Israeli Consulate General to the Midwest in Chicago, Illinois.

Journal of the Senate

FIRST REGULAR SESSION

FOURTH DAY - TUESDAY, JANUARY 10, 2023

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

The Reverend Carl Gauck offered the following prayer:

"For the Lord gives his people justice and shows compassion to his servants." (Psalm 135:14)

Heavenly Father, we thank You for Your compassion toward us and the example You set for us that we might likewise be supportive of our staff and show appreciation for the work they do for us and the people of Missouri. Continue to transform our hearts and thoughts that we might deal creatively with the new demands that will be put before us this session. And may we seek to follow the path You have laid out before us. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Journal of the Senate

FIRST REGULAR SESSION

FIFTH DAY - WEDNESDAY, JANUARY 11, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"We know that all things work together for good of those who love God." (Romans 8:28)

Almighty God we know that You are our source of knowledge and courage during difficult times and that You work with us towards the end You desire for us to accomplish. Help us, Lord, to be mindful always that in the most challenging times we will encounter, You are in them pointing to how we are to respond to those trying times. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Journal of the Senate

FIRST REGULAR SESSION

SIXTH DAY - THURSDAY, JANUARY 12, 2023

The Senate met pursuant to adjournment.

Senator Bean in the Chair.

Senator Bean offered the following prayer:

"The Heavens declare the glory of God; and the firmament shows His handiwork." (Psalm 19:1)

Gracious God, as we complete our work for this day and return home, help us see all that You provide and the majesty of what You have created that proclaims these gifts to us. Help us be good stewards of the resources given to us and share them with others. And may we use this time at home to show love to those You have given to us and in prayer with You our God. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

The following Senators were present during the day's proceedings:

RESOLUTIONS

Senator Washington offered Senate Resolution No. 19, regarding the passing of Annie Ruth Johnson, Kansas City, which was adopted.

Senator Fitzwater offered Senate Resolution No. 20, regarding Robin S. Howard, Fulton, which was adopted.

Senator Coleman offered Senate Resolution No. 21, regarding St. John's Evangelical Lutheran Church and School, Arnold, which was adopted.

Senator Roberts offered the following resolution:

SENATE RESOLUTION NO. 22

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Fifth District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, First Regular Session, that the Senate Rules be amended to read as follows:

"Rule 91. Every senator who is within the bar of the senate when a question is put shall assume his or her seat, and shall vote when his or her name is called unless the senator, for special reasons, excuses himself or herself from voting. A senator shall seek to excuse himself or herself from voting before the senate divides, or before the call for yeas and nays is commenced. In taking the yeas and nays, each senator shall declare distinctly his or her vote yea or nay. In the event a senator within the chamber refuses to cast his or her vote, then, at the direction of the president, he or she shall be removed from the chamber and such action noted in the Journal. **Any senator who is on active military duty on any day when the senate is in session may submit a letter to the secretary of the senate informing the secretary of the dates from which the senator shall be absent from the senate. Such letter may also authorize the floor leader of the party to which the senator is a member to vote in the senator's absence on all matters requiring a roll call vote. Upon receipt of such letter, the secretary of the senate shall make such letter a part of the journal of the senate for the days in which the senator shall be absent and the designated floor leader shall vote for such senator when the senator's name is called during a roll call vote.**".

CONCURRENT RESOLUTIONS

Senator McCreery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 5

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Senator Arthur offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 6

Relating to SCN2A awareness day.

Whereas, mutations of the SCN2A gene are the leading single cause of neurodevelopmental disorders such as autism, childhood seizures, and intellectual disabilities; and

Whereas, SCN2A disorders are also associated with a spectrum of syndromes ranging from severe, life-threatening conditions to developmental delays, including sleep disturbances, gastrointestinal dysfunction, movement disorders, pain, and dysautonomia; and

Whereas, research predicts that approximately one in nine thousand people will be diagnosed with SCN2A-related disorders; and

Whereas, while SCN2A-related disorders can be easily identified by DNA testing, SCN2A-related disorders frequently go undetected due to a lack of awareness, even within the medical community; and

Whereas, the field of study of SCN2A-related disorders is growing, but additional studies are needed to develop therapies and treatments:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby designate February 24 of each year as "SCN2A Awareness Day" in Missouri; and

Be It Further Resolved that the General Assembly encourages all residents of this state to participate in activities and wear purple, blue, or green on this day to bring awareness of these conditions and the need for treatment; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Journal of the Senate

FIRST REGULAR SESSION

SEVENTH DAY - TUESDAY, JANUARY 17, 2023

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Carl Gauck offered the following prayer:

"The Heavens declare the glory of God; and the firmament shows His handiwork." (Psalm 19:1)

Gracious God, as we begin our work for this day, help us all see all that You provide and the majesty of what You have created that proclaims these Your gifts to us. Help us be good stewards of the resources given to us and share them with others in need. May we show love to one another so we may get to know one another and be in prayer with You our God. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal for Thursday, January 12, 2023, was read and approved.

The following Senators were present during the day's proceedings:

Journal of the Senate

FIRST REGULAR SESSION

EIGHTH DAY - WEDNESDAY, JANUARY 18, 2023

The Senate met pursuant to adjournment.

Senator Hough in the Chair.

Senator Fitzwater offered the following prayer:

Dear Heavenly Father who dwells in and through everything, great is Your name! May Your will be done in these halls even today, as we seek to redeem our days and Your world through grace and peace just as it is in Heaven. Today, provide all the things we need to sustain a desire to glorify You, while allowing us the boldness to forgive and seek forgiveness for our wrongs, just as You've forgiven us. And please give us a clear vision, one that honors You and doesn't lead us down the wrong paths that only create hardship for ourselves and our state. For Yours is the kingdom, the power, and the glory forever and ever, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

2023 STATE OF THE STATE ADDRESS – NOT DONE YET

GOVERNOR MIKE PARSON

Thank you Lieutenant Governor, Mr. Speaker, statewide officials, Judges of the Missouri Supreme Court, and state legislators.

It is an honor to be joined by the First Lady as I stand before you again today as the 57th Governor of the Great State of Missouri.

Today, I stand here with excitement and a renewed sense of optimism for the future of Missouri and its people.

This past year was one of opportunity. We recognized that. Took advantage of that. AND now we are reaping the benefits…both today and tomorrow.

By working together, we've done better than before. We've established a new baseline of service for state government. We've set a **new standard** for the people of Missouri.

Together, we've moved billions of dollars in investments across this state. Whether you live in Kansas City or St. Louis…Kennett or Rockport... grow corn or cotton…vote left, right, or center…We've left no community behind.

We are building a bench in this state that will continue the tremendous successes we are seeing. AND that means a bench that SEES everyone, that INCLUDES everyone, and is FOR everyone.

Teachers and police officers…state workers and factory workers... every hard-working Missourian is critical to the continued success of our state. Every year, we've supported them, invested in them, and we must never quit on them.

Last year, I stood before you and proclaimed that Missouri is Strong Today and will be Even Stronger Tomorrow. Well this year, I'm here to tell you that tomorrow has arrived…

Missouri IS Stronger today, and we're going to continue what we've started…Because THIS Governor isn't done yet…**WE**… **ARE**…**NOT**… **DONE**… **YET**!

This past year, words like "historical" "largest ever" and "most in history" seemed to become permanent parts of our vocabulary…whether it was workforce development, education, infrastructure, mental health, public safety, or agriculture…these words applied to all.

In October, we concluded a historic special session with the passage of the **largest** income **tax cut** in our state's history.

We cut the tax rate and simplified the tax code for all Missourians. Missourians work hard, they provide for their families, pay their bills, and pay their taxes. AND they deserve to keep their hard-earned money.

This tax cut means that our administration will have cut Missourians' taxes **three times** and by **20 percent**. Money that can help put gas in the car, food on the table, or saved for a rainy day. It means more money in our economy.

We thank Senator Koenig, Senator Hough, and Representative Smith for their leadership as well as everyone in this chamber who voted for and fought for this tax cut.

In Missouri…when the coffers are full from a booming economy, growing businesses, and job creation…we don't spend for the sake of spending like we see in Washington D.C.…we spend what is necessary for our growth…for the future…and put more money back in Missourians' pockets **where it was EARNED**…and **where IT BELONGS**.

During that same special session, we also secured opportunity and support for our state's number one economic driver…agriculture.

I am an Ag Governor and this administration will always stand up for our Missouri farmers and ranchers. AND we challenged legislators who **say** the same to **do** the same…

By working together with the leadership of Senator Bean and Representative Pollitt, we put politics and special interests aside and passed long term extensions for our critical agriculture tax credit programs…

Programs that create jobs, promote farm and business innovation, and help add value to our Missouri Grown products.

Despite the roadblocks, political games, and those who stood against agriculture… support for our farmers and ranchers could not be denied. AND we appreciate everyone who took a stand and offered your support for those who feed and fuel our economy.

While tax cuts and support for agriculture are huge wins…you have probably noticed, MISSOURI IS ON THE MOVE.

Our economy is booming. Businesses are investing, growing, and creating jobs in our state.

Thanks to our focus on workforce development and infrastructure, we have achieved countless economic wins.

In 2022, our unemployment rate fell to 2.4 percent…the lowest rate ever recorded in the history of the State of Missouri, and it remains historically low today.

While the federal government tried to solve an inflation problem with more spending, we got to work creating jobs and securing business investment.

This year, we celebrated business announcements all across the State of Missouri…

In total, more than **$2.9 billion dollars** and **nearly 5,000 new jobs** were created by businesses that utilized our state programs, like Missouri One Start.

Since its reform in 2019, Missouri One Start has trained nearly 130,000 workers for companies of all sizes.

Its success is why we are continuing our investment of $27 million dollars for additional Missouri One Start training projects to help recruit and train skilled workers for companies choosing our state.

AND we are proud that **Missouri ranks 1st in the United States for our low cost of doing business**…

Whether it is investments in Missouri One Start, broadband, education, or so on, by prioritizing infrastructure and workforce development, companies are choosing our state to invest.

Some of the first things we are asked about on our Trade Missions is our progress on infrastructure, education, workforce, and our cost of doing business.

In fact, from our Trade Missions alone, we have been able to achieve over **1,000 jobs** and more than **$1 billion dollars** in business investment for Missouri.

AND WE ARE NOT DONE YET

Infrastructure

Last year, we made one of the largest investments in broadband expansion across our state.

Thanks to our efforts, nearly **70,000 under-served** homes and businesses across our state **NOW have broadband**.

BUT we know we can't stop now. That is why we are investing an additional $250 million dollars to do even more.

If we can put electricity in every home, we can do the same with broadband today.

We are not done until **every** home, **every** school, **every** business, and **every** farm has access to quality internet.

Not only is broadband important so is our vast transportation network.

But this year, we learned the hard way that we must do more to improve transportation safety.

Over the summer, an Amtrak passenger train derailed near the small town of Mendon, killing four and seriously injuring dozens of others.

Thankfully in this instance, small town America rose to the occasion. Neighbors helping neighbors, strangers helping strangers…the Mendon community represented the best of our people…the best of our state.

AND on behalf of all Missourians…I want to thank them…

While the power of our people and the goodness of their character made a bad situation a little better this time, the state must be proactive and help prevent a similar situation again.

That is why we are including $35 million dollars to begin updating railway crossings to modern day safety standards **ALL ACROSS OUR STATE**…

When I became Governor, we worked with all of you and set out to repair or replace 250 of our state's poorest bridges, and we are happy to report that 222 have already been completed, and the remaining bridges will be under contract by March.

We have also set out to address crumbling roads in rural areas. Thanks to our rural routes program established in last year's budget, 1,700 lane miles of low volume roads in the poorest conditions will be resurfaced by the end of June of this year.

AND we are extremely proud of our Transportation Cost-Share which has awarded 28 local transportation projects with the funding to improve roads and bridges and bring economic development to their areas.

Through our $75 million dollar investment and partnering with both public and private entities, we have leveraged more than $175 million dollars in new projects all across our state, from the most rural areas to our urban areas.

As you can see, our infrastructure investments are making a real difference for Missourians in our state.

AND one project in particular we want to highlight is the I-270 North project in St. Louis…one of the largest investments ever in our state's history.

This project not only represents stronger infrastructure…it demonstrates the opportunities that these projects can bring to hard-working Missourians.

Involved with the I-270 project is Project Pave. A STEM program that works to mentor, teach, and support students in North St. Louis County high schools. These students get to pursue interests in highway design, engineering, and construction.

AND here with us today is Christian Malloyd.

Christian was an intern with Project Pave and secured full-time employment with Mill-stone Weber as an IT Technician **directly out of high school**…

AND that is exactly what we are trying to achieve.

Would you please help me in welcoming Christian and his fellow Project PAVE students to the chamber today?

While we might have thought we were just putting asphalt on roads or steel over waterways, what we're really doing is supporting the future.

These investments create REAL jobs that provide REAL careers… to support REAL families and REAL futures.

AND WE ARE NOT DONE YET

For years, congestion, traffic accidents, and delays have become serious issues for commuters on I-70. Not only are we concerned for motorist safety, these inefficiencies are costly to our state's economy. AND we must invest to improve I-70.

To those who say we can't afford it, I say we can't afford not to.

This year, we are requesting $859 million dollars… the largest investment in decades… to widen and rebuild the I-70 corridor and take the first step in adding a third lane across our state.

This is a once in a lifetime opportunity.

And the **TIME**…**IS**…**NOW**.

Education/Workforce Development

Now, as a product of public education, the father of a school teacher, and grandfather of a first-year school teacher and preschooler, I know the American Dream could not be possible for so many without a quality education.

This year, we will again fully fund the foundation formula with an additional $117 million dollars to ensure Missouri schools are receiving the support they need.

But as I've said, we've set a new standard in this state. AND that includes a new standard of accountability for our students, teachers, and administrators across the state.

Last year, we funded our part of school transportation for the first time in more than two decades, and **we aren't one and done**.

This year, we are again investing $233 million dollars for school transportation to ensure our kids can get to and from school safely.

Additionally, last year, in working with the General Assembly, we funded the Career Ladder Program. Nearly 140 school districts participated and over **11,000 veteran** school teachers received an increase in pay.

This year, we are again funding the program with an additional $32 million dollars to continue the state's part and benefit more Missouri teachers.

Another program we are very proud of is our Teacher Baseline Salary Grant program, which raised baseline teacher pay from $25,000 dollars to $38,000 dollars per year.

A total of 356 Missouri school districts participated in the program and provided pay increases to more than 6,000 school teachers.

Clearly this program is making a difference, and we are committed to continuing it for teachers like the one joining us today.

In the upper gallery is one of the teachers we had the pleasure of meeting. She's a first grade teacher from Meadville R-4 School District located in Linn County.

She's a second year teacher and received a nearly **$7,000 dollar** pay increase thanks to our baseline teacher pay program. She was able to move out of her parents' house, get married, and begin pursuing a master's degree.

Mrs. Fluckey is a great example of the majority of our educators who do it for the right reasons. She represents our educators who certainly don't do it for the money, but do it for our children and the future of our state.

Would you please join me in giving Mrs. Fluckey and all our Missouri educators a round of applause?

We also know that early childhood care is essential to our state's success.

We've already invested nearly $1 billion dollars to improve our child care network and create more options for more Missouri families.

BUT WE ARE NOT DONE YET

We know child care remains a struggle for many parents and businesses. Child care providers often have to limit their hours due to staffing shortages or increase their prices…this poses a real challenge to parents as they weigh the decision **to work or stay home**.

Prior to COVID-19, more than 50 percent of Missouri residents lived in an area with a shortage of child care. We know that problem has only worsened with one-third of facilities no longer open after the pandemic.

We need to do better…for our parents, children, providers, and businesses.

Joining us today is Sharon Winton, the Director of Discovery Place child care right here in Jefferson City.

Ms. Winton stayed the course and kept her doors open…even as enrollment declined and revenue fell…

Even with her determination and passion for serving Missouri families… overcoming the challenges she faced might not have been possible without the state programs and services our Office of Childhood provides.

Would you please join me in recognizing Ms. Sharon Winton, the children of Discovery Place, and all those who care for our children across the state?

Now…Ms. Winton faces the opposite issue…more and more families are seeking child care options. AND while she would love to help, she simply does not have the resources, space, or staff to accommodate.

To help address this issue, we are proposing three new child care tax credit programs.

These programs will help improve child care facilities, support employers who support their workers with child care assistance, and allow more of our dedicated child care workers to earn a pay increase.

We are also investing more than $78 million dollars to increase Child Care Subsidy rates to child care providers across the state…

Together these actions will help more child care providers to start their business, stay in business, or expand their business.

BUT we are not stopping there…

Missouri's own Susan Blow established the first school kindergarten right here in the State of Missouri, and we want to expand on those efforts started so long ago.

This year, we are here to announce our plan to invest $56 million dollars to begin expanding Pre-Kindergarten options to **ALL** low-income Missouri children.

Under this program, 50 percent of all our families with pre-k students will be able to enroll their children in expanded programs through their local school district or charter school at no cost.

There is a **clear need** to do better when it comes to **early childhood**. Let's **meet this moment** for Missouri kids, families, and businesses!

Now, for our non-college students or Missourians seeking a new career path…

We are investing $3 million dollars in Apprenticeship Missouri to expand apprenticeship opportunities with a focus on IT, public health, education, and public safety, among others.

These programs are a great way for Missourians to learn a new skill and earn a good-paying job…right out of high school.

Thanks to this program, we are happy to report that we were able to achieve our goal of creating **20,000 new apprenticeships THREE years** ahead of schedule.

AND thanks to this program we are **NOW 3rd in the United States for apprenticeships opportunities**.

This year, we are seeking $2.2 million dollars for our 27 job centers across the state. With more than 195,000 job openings in Missouri…we must make sure Missourians who need a job get a job.

Additionally, to further support career opportunities for our young people, we are requesting $500,000 dollars for our Jobs for America's Graduates to help more high school students further their education or go directly into the workforce.

For college bound Missourians, we are increasing core funding to our Community Colleges and 4-year institutions, by **seven** percent… the largest increase in more than 25 years.

Additionally, we are investing another $275 million dollars for capital improvement projects on our college campuses…

We are also proposing an additional $800,000 dollars for our Fast Track program to ensure that any qualified person seeking a scholarship is able to receive it.

For our high school seniors wanting to further their education, we are also again fully funding A+ scholarships.

AND to help promote workforce development on college campuses, we are recommending $38 million dollars for our MoExcels program to expand employer-driven education and training programs.

Together, these investments will help our colleges and universities keep up with the educational demands of both today and tomorrow.

We all know manufacturing is a leading industry in our state. In fact, we rank **4th in the United State for new manufacturing facilities**.

But a serious hurdle for our manufacturing companies here in Missouri and across the nation is the semiconductor chip supply chain.

To address this issue…for the first time…we are dedicating $25 million dollars for research, program development, and training to increase our competitiveness for semiconductor manufacturing right here in Missouri.

The last thing we want is to rely on China when we CAN and WILL do it right here in Missouri.

Government Reform

These investments in infrastructure, workforce, and education cannot be achieved without a functioning and efficient state government…

AND the dedicated leaders in my Cabinet. Would members of my cabinet please stand to be recognized for all you do on behalf of the people of Missouri?

While businesses build their bench…we need to build the bench in state government.

As many of you know, the recruitment and retention of state employees has been a severe problem for our state. AND while we have made considerable advancements like wage increases, deferred compensation, and professional development opportunities…

MORE is needed.

Supporting our state workers means supporting the people of Missouri…AND **we are not done yet**.

This year, as part of our supplemental budget, we are requesting an immediate **8.7 percent** cost of living increase for our state employees.

For anyone who can't already see the dire need for this action, we want to be clear, this is not state government setting the market…this is merely an attempt by state government to stay competitive **with** the market.

If we allow state government to fall behind, we allow Missourians to fall behind.

With more than 7,000 positions open across state government, **this wage increase is necessary**… **and it is the MINIMUM we must do**…

On behalf of all state employees, I ask for your **full support** to pass this increase and **deliver it to my desk by March 1**.

We also want to improve the services we provide through our agencies like the Children's Division. This Division is critical to the health and safety of some of Missouri's most vulnerable children, yet it is critically understaffed and under-resourced.

By investing $22 million dollars we can help alleviate the strain, hire more employees, and support struggling families and children.

We must do more and do better for our children, our families, and the future of our state.

We've come a long way… BUT for Missouri to stay on the move…so does state government.

Health Care/Mental Health Care

In 2022, fresh out of the grips of COVID-19, we understood the need to do better in this state when it comes to health and mental health care.

Last year, we made historic investments in health and mental health, including the new **State One Health Lab**, which states across the nation are using as a model for their own plans.

Now…frankly, an area in which we are heartbroken to be failing is maternal mortality. Currently, Missouri ranks 44th in the United States for our abnormally high maternal mortality rate.

This is embarrassing and **absolutely unacceptable**.

We are determined to change this. AND we are requesting $4.3 million dollars to allow the Department of Health and Senior Services to implement a new maternal mortality plan.

DHSS estimates that 75 percent of maternal deaths are preventable with at least one meaningful change to treatment, whether directly to the patient or through the provider, community, or health care system.

We refuse to accept this tragic Missouri statistic. We must do better. If we can't get it right for the mothers and children across our state, we might as well pack our bags and let somebody else occupy our seats.

Let's support our **mothers**, let's support our **children**, let's support **the future of Missouri**.

This year, we are also proposing an additional $3.5 million dollars to increase the number of youth behavioral health liaisons across our state. This initiative will fund 27 liaisons to help our youth in crisis and receive the treatment they need.

It is needed, it is wanted, and more importantly…It is helping keep our kids SAFE, IN school, and OUT of the system.

Here with us today is Leah Crawford. Last year, she was observing a change in her daughter's behavior and mood. Her daughter, Jewel, was carrying so much hate and anger - things that no child should have to suffer through.

Recognizing a need to do something, Leah took her daughter to Phallin Thornton, one of our youth behavioral liaisons. It was because of Phallin that Leah felt her daughter was finally opening up and making a change for the better.

After a visit with Phallin, she was smiling again… laughing again… being a child again.

This is the real difference this program is making for our kids across the state.

We are grateful to have Leah, Jewel, and Phallin with us here today. Would you please stand to be recognized?

This year, to address the severe shortage of Certified Nursing Assistants all across our state, we are proposing nearly $4 million dollars to boost C-N-A training and programs.

With this increase, we expect 4,000 additional students to gain C-N-A training and employment at a long-term care facilities and other medical facilities, including our Missouri Veterans Homes.

We owe it to Missourians to provide them with quality care, and C-N-As are critical to that mission.

AND we also want to thank all of our doctors, nurses, and health care professionals across our state who care for our citizens.

Public Safety

We must also always look to improve when it comes to public safety in our state.

Unfortunately, our home, schools, and communities are not immune to violence. BUT it's our jobs… the individuals in this building to do what we can to promote a safer Missouri.

This past year, we saw violence and shootings plague schools and communities across the nation, and sadly our state was no exception.

The events that unfolded at Central Visual & Performing Arts High School just a few months ago were nothing short of tragedy.

As friends and family mourn, a community grieves, and a school tries to continue on without a valued and beloved teacher and student…we must recommit ourselves to ensuring our schools are safe.

While we will never understand or control the violence of these deranged individuals, we can look to the school safety officers and law enforcement who got it right that day.

They were prepared…they had a plan…they saved lives and prevented a tragic situation from becoming even worse.

We want to ensure that preparedness and response can be repeated across our state if the unthinkable ever occurs again.

That's why this year we are proposing **$50 million dollars** for school safety grants to further protect **our children** and **our schools**.

We know that public safety starts with supporting our men and women on the front lines who answer the call… who wake up every day to protect and serve.

BUT we know that law enforcement recruitment has suffered in recent years…AND it is critical that we take action to **build the bench** in law enforcement.

Last year, we established the Missouri Blue Scholarship program to recruit officers across the state.

Already this program has received high interest and success, with 147 Missourians already earning a scholarship.

Joining us today are Rachel Kelley and Samuel Altom.

Rachel always dreamed of becoming a police officer, but like so many…life gets in the way. Now, she can afford the opportunity to pursue her dream and serve her community thanks to our scholarship program.

Samuel has witnessed firsthand that there can sometimes be disconnect and distrust by younger generations towards law enforcement…he wants to help fix that and hopes to one day help recruit and train future police officers.

This scholarship program and the support it provides to people like Rachel and Samuel are perfect examples of how we can help build the bench in law enforcement.

Would you please join me in welcoming Rachel and Samuel?

For anyone willing to step up to protect and serve their communities, we must do everything we can to support them.

AND as I've said…In this state, we support and defend our law enforcement officers, we don't defund them…**AND OUR ADMINISTRATION NEVER WILL**.

Infrastructure, education, workforce development, health care, mental health, public safety…it's not one or the other…it's everything working together that allows a better future for our children and our families.

We have always invested in these priorities… and we always will.

CONCLUSION

For us, it's all about the WHY.

The WHY we aren't done yet…the WHY we CAN'T be don't yet…it's because of our children.

AND joining us on the floor today is the WHY…

Would you please welcome students from Missouri's Blue Ribbon Schools who want to share their American Dream with you…

From Kirkwood...

- Ben Herwick and Julia McDonald want to study business.

From Nixa…

- Meghana Nakkanti wants to study Public Health
- AND Gideon Carter wants to study computer science.

From Eugene Field…

- Carson DeFazio wants to be a soccer coach
- AND Rosalind Martin wants to be a baker.

From Epic…

- Henley Ricklefs wants to be a Veterinarian
- AND Sawyer Burch who wants to join the NFL…AND we're rooting for Sawyer as long he's with the Kansas City Chiefs.

From Dewey…

- Mahlia Wahid wants to study business
- AND Decker Rardon wants to be an engineer.

From Chapel Lakes…

- Cooper Minks wants to be a sports agent
- AND Skylaur James wants to be an Olympic runner.

From Blair Oaks…

- Emmerson Hilty wants to be a teacher and principal
- AND Preston Snitker wants to play professional sports.

AND behind them, we also have children from Discovery Place Daycare who are here to **SHOW YOU** their American Dream.

Let's give these kids a round of applause.

Teresa and I are living our American Dream. Our dream is one of faith, family, and patriotic service. A dream that allowed a rowdy farm boy from small-town Wheatland and a bright and beautiful woman from Bolivar to meet and one day become the Governor and First Lady of Missouri.

For the kids in this room…It's their future, their dreams, THEIR AMERICAN DREAM that we MUST support and fight for…It's our **privilege** and **our responsibility**.

Kids all across our state have hopes, dreams, and ambitions…AND their American Dream can be bolstered and broadened by the decisions we make right here in this building.

Looking at these kids standing here today…I am confident there is nothing we cannot overcome **FOR THEM**.

These children **are the WHY**…If we're not willing to sacrifice for these kids, support their dreams, or stand up for their future, then we must ask ourselves **why are we here**?

The First Lady and I have always believed in and supported the American Dream…and as we enter the final two years of our time as Governor and First Lady the importance of that mission becomes all the more clear.

Like us, the American Dream should be achievable for **ALL**…**NEVER the exception for SOME**.

Our American Dream was possible because leaders before us looked at you and me…and recognized **we** were worth fighting for.

Today, I ask the same of you…THESE Missouri children are the future. The future of our state, our nation, and our democracy.

If we fail them…then the **failures of tomorrow** are **the failures of today**.

Let's not fail them today, tomorrow, or ever.

This Governor…this Dad… and this Gramps… IS NOT DONE YET…

WE…ARE…NOT…DONE…YET…

It is an honor and privilege to serve as the 57th Governor of the state of Missouri.

God bless you, God bless the great State of Missouri, and God bless the United States of America.

On motion of Senator O'Laughlin, the Joint Session was dissolved and the Senators returned to the chamber where they were called to order by President Kehoe.

CONCURRENT RESOLUTIONS

Senator Bernskoetter offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 7

Relating to the America 250 Missouri Commission

Whereas, the 250th anniversary of the Declaration of Independence and 250th anniversary of the United States of America are approaching in the coming years; and

Whereas, such anniversaries are worthy of celebration at both the federal and state levels; and

Whereas, in order to effect such a celebration in Missouri, there needs to be a coordinated effort at the state level:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby create the America 250 Missouri Commission; and

Be it Further Resolved that the principal purpose of the Commission shall be to plan, promote, and implement where appropriate public celebrations and commemorations of the 250th anniversary of the Declaration of Independence on July 4, 2026, and the 250th anniversary of the United States of America; and

Be it Further Resolved that the Commission is authorized to cooperate with the United States Semiquincentennial Commission created by Public Law 114-196, other national and state organizations engaged in commemoration and celebration of the United States Semiquincentennial, and other national, regional, state, and local public and private organizations having compatible purposes. It shall encourage various state agencies and organizations to work cooperatively to promote the Semiquincentennial; and

Be it Further Resolved that the Commission shall consider promoting and encouraging as part of its celebratory and commemorative events, electronic media, printed products, symposia, and educational outreach all of the following:

(1) Awareness and understanding of the principles of the Declaration of Independence, of the winning of American independence in the American Revolutionary War, and of the establishment of America's system of constitutional self-government;

(2) Teaching students and increasing public knowledge and appreciation of the breadth of American history and the centuries-long quest for "liberty and justice for all". This includes sharing the stories and contributions of the various people who have populated the land, from indigenous peoples, explorers, British colonists, seekers of religious freedom, enslaved African Americans, and many others who are part of America's stories. This should also include the commemoration of events that occurred in Missouri during the American Revolutionary War period, such as the Battle of Fort San Carlos in what is now the city of St. Louis in 1780;

(3) Advancing the cause of liberty and American self-government and of the meaning of "E Pluribus Unum" ("From many, one"), through promoting civic knowledge and practice, including America's "Charters of Freedom" (the Declaration of Independence, the Constitution, and the Bill of Rights), and the constitutional features of self-government which emphasize the roles of active and engaged good citizens;

(4) Emphasizing the service and sacrifices of veterans of all generations who have secured and preserved American independence and freedom and encouraging Missourians to honor them;

(5) Celebratory and commemorative events and activities throughout the State of Missouri; and

Be it Further Resolved that the membership of the Commission shall consist of thirteen voting members as follows:

(1) The Governor of Missouri who shall serve as chair of the commission;

(2) Two members appointed by the Lieutenant Governor;

(3) Two members appointed by the President Pro Tempore of the Senate and two members appointed by the Speaker of the House of Representatives;

(4) Two members who are Missourians serving on the United States Semiquincentennial Commission as certified by the executive officer of that Commission;

(5) One member who is a representative of the Missouri Society of the Sons of the American Revolution appointed by the Governor;

(6) One member who is a representative of the Missouri State Society Daughters of the American Revolution appointed by the Governor;

(7) Two citizens at large, appointed by the Governor; and

Be it Further Resolved that members shall serve for the life of the Commission, provided any public official's expiration of his or her term shall create a vacancy, and all vacancies shall be filled in the same manner as originally appointed; and

Be it Further Resolved that the appointing authorities shall coordinate their appointments so that diversity of gender, race, and geographical areas is reflective of the makeup of this state; and

Be it Further Resolved that the Commission shall elect its chair, vice chair and any other officers it deems necessary. A majority of the members shall constitute a quorum to conduct business; and

Be it Further Resolved that the Office of Administration shall provide administrative support for the Commission; and

Be it Further Resolved that the Commission, its members, and any staff assigned to the Commission shall receive reimbursement for their actual and necessary expenses in attending meetings of the Commission, with such reimbursement for the legislative members only coming from the Joint Contingent Fund; and

Be it Further Resolved that the Commission shall terminate by either a majority of the members voting for termination, or by December 31, 2027, whichever occurs first; and

Be It Further Resolved that the Secretary of the Senate be instructed to send a properly inscribed copy of this resolution to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Read 1st time.

Senator Bean offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 8

Whereas, the cultivation and harvesting of peaches in Campbell, Missouri has long been an integral part of the city and region; and

Whereas, with a mild climate and soil that is good for producing quality peaches, Campbell is the perfect growing spot for peaches; and

Whereas, almost eighty-five percent of the state's peach harvest is grown in Campbell; and

Whereas, local peach growers have over 125,000 peach trees on more than 1,000 acres; and

Whereas, local peach growers employ local teenagers and seasonal workers each season to harvest the peaches, in addition to year round staff; and

Whereas, from its annual Missouri Peach Fair to the peach basket water tower, the city of Campbell has long been known as the peach capital of the state of Missouri:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, that the city of Campbell, Missouri, shall be known as the Peach Capital of Missouri; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the city of Campbell.

Journal of the Senate

FIRST REGULAR SESSION

TENTH DAY - MONDAY, JANUARY 23, 2023

The Senate met pursuant to adjournment.

Senator Rowden in the Chair.

The Reverend Carl Gauck offered the following prayer:

"The eyes of the Lord are upon the righteous, and His ears are open unto their cry." (Psalm 34:15)

Gracious God, You continue to watch over our lives and help us live with such an awareness of Your observing us, with love and compassion, so we pray that what we do here will please You. And we pray that You will guide us and direct us when our time here is challenging and our work is difficult. Help us, Lord, remember in humility the gift You have given us to faithfully serve the people of Missouri and we ask open our hearts to Your prompting. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Journal of the Senate

FIRST REGULAR SESSION

ELEVENTH DAY - TUESDAY, JANUARY 24, 2023

The Senate met pursuant to adjournment.

Senator Coleman in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Get wisdom; get insight; do not forget, nor turn away from the words of my mouth." (Proverbs 4:5)

Gracious God, in Your word You teach us how to gain strength through spiritual growth. So we seek Your help to become more mature in our faith through the experiences we encounter here and at home and we would ask that we benefit from each experience. So, let Your light lead us along a right pathway so we may serve You as we do our best this day. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

The following Senators were present during the day's proceedings:

Journal of the Senate

FIRST REGULAR SESSION

TWELFTH DAY - WEDNESDAY, JANUARY 25, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Call on me in the day of trouble; I will deliver You and You shall glorify me." (Psalm 50:15)

Father, we know that many are facing difficult times in today's trying economic times. So help us Lord and increase in us hope for the future and give us wisdom that guides our hearts and minds in the task that are before us that we may lift some of the burden our people are facing. And help us live graciously and generously among Your people. In Your holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator Gannon offered Senate Resolution No. 80, regarding Bethany Schutte, De Soto, which was adopted.

Senator Razer offered Senate Resolution No. 81, regarding Paloma Greim, Kansas City, which was adopted.

Senator Razer offered Senate Resolution No. 82, regarding Molly Eckels, Kansas City, which was adopted.

CONCURRENT RESOLUTIONS

Senator Roberts offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 9

Whereas, more than 1 in 7 (15% of US adults or 37 million people) are estimated to have chronic kidney disease (CKD) and as many as 9 in 10 adults with CKD do not know they have the disease;

Whereas, kidney disease disproportionately affects communities of color;

Whereas, African Americans are almost four times more likely and Hispanics are 1.3 times more likely to have kidney failure compared to white Americans;

Whereas, although they make up only 13.6% of the population, African Americans make up more than 35% of dialysis patients;

Whereas, 90% of patients with CKD stages 1-3 are undiagnosed and less than 3% of African Americans patients believe that they are at high risk for CKD;

Whereas, CKD, when diagnosed, is often diagnosed in late stages of the disease, after irreversible damage to the kidneys has already occurred;

Whereas, 15% of people diagnosed with CKD are unaware of the cause of their disease;

Whereas, the CDC reports 1,682 Missourians died from kidney disease in 2020;

Whereas, recent scientific advancements have shown that some of the health disparities in CKD have a genetic basis;

Whereas, this genetic risk factor for CKD was discovered in 2010 when scientists learned that people who inherit two variants of the APOL1 gene are at significantly increased risk of developing kidney disease;

Whereas, these APOL1 risk variants are found exclusively in people of sub-Saharan African ancestry, including people who identify themselves as African American, Afro-Caribbean, and Hispanic, as the risk variants originally offered protection from a parasitic disease known as African human trypanosomiasis;

Whereas, 13% of people of African descent carry two APOL1 risk variants, and estimates suggest that up to 1 in 5 people with two APOL1 risk variants will develop kidney disease;

Whereas, APOL1-mediated kidney disease causes high levels of protein in the urine, or proteinuria. This can lead to various symptoms, including swelling in the legs and/or feet, fatigue, and weight gain;

Whereas, research has also shown that the course of kidney disease is more rapidly progressive in individuals with two APOL1 risk variants than in patients without them;

Whereas, the disease may eventually lead to kidney failure, requiring dialysis or a kidney transplant;

Whereas, there are simple tests to diagnose chronic kidney disease, including blood and urine tests, and a genetic test exists to identify the presence of APOL1 risk variants;

Whereas, it is imperative to improve diagnosis and treatment of CKD through community-based programs that address racial disparities in the awareness, diagnosis, and treatment of chronic kidney disease;

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, affirm the importance of:

1. Timely screening of high-risk individuals for chronic kidney disease as well as genetic testing for individuals diagnosed with CKD as appropriate;

2. Expanding and improving disease education, access to care, and access to information and resources for CKD patients, caregivers, and family members; and

3. Addressing financial, logistical, and other barriers for CKD patients and their families that may prevent patients from accessing needed care; and

Be It Further Resolved, that the Department of Health of Senior Services and the Department of Social Services are encouraged to:

1. Provide information and education on CKD targeted towards patients, families, caregivers, and the general public;

2. Support CKD screening programs, referrals for follow up care, and genetic testing as appropriate; and

3. Solicit public feedback on CKD, especially from those who knowledge and experience of CKD, including patients, caregivers, patient advocacy organizations, nephrologists, and primary care providers; and

Be It Further Resolved that a properly inscribed copy of this resolution be transmitted to the Department of Health and Senior Services and the Department of Social Services.

Senator O'Laughlin offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 10

Whereas, Section 29.351 of the Revised Statutes of Missouri provides that during the regular legislative session which convenes in an odd-numbered year, the General Assembly shall, by concurrent resolution, employ an independent certified public accountant or certified public accounting firm to conduct an audit examination of the accounts, functions, programs, and management of the State Auditor's office:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby authorize the employment of an independent certified public accountant or certified public accounting firm pursuant to the provisions of Section 29.351; and

Be It Further Resolved that the audit examination be made in accordance with generally accepted auditing standards, including such reviews and inspections of books, records and other underlying data and documents as are necessary to enable the independent certified public accountant performing the audit to reach an informed opinion on the condition and performance of the accounts, functions, programs, and management of the State Auditor's office; and

Be It Further Resolved that upon completion of the audit, the independent certified public accountant make a written report of his or her findings and conclusions, and supply each member of the General Assembly, the Governor, and the State Auditor with a copy of the report; and

Be It Further Resolved that the cost of the audit and report be paid out of the joint contingent fund of the General Assembly; and

Be It Further Resolved that the Commissioner of Administration bid these services, at the direction of the General Assembly, pursuant to state purchasing laws; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the Commissioner of Administration.

Journal of the Senate

FIRST REGULAR SESSION

THIRTEENTH DAY - THURSDAY, JANUARY 26, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

"Blessed be God because he has not rejected my prayers or removed his steadfast love from me!" (Psalm 66:20)

Merciful Father, we give You thanks for this day and Your willingness to listen to our prayers. Hear us now, we pray, that in Your steadfast love our work may please You and our lives truly reflect our obedience to your word so that we may truly be a witness unto You. And we pray "watch our going out and coming in" throughout this day. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.
